

## Revolution Medicines Announces Pricing of Upsized \$230.0 Million Public Offering of Common Stock

July 19, 2022

REDWOOD CITY, Calif., July 19, 2022 (GLOBE NEWSWIRE) -- Revolution Medicines, Inc. (Nasdaq: RVMD), a clinical-stage oncology company developing targeted therapies for RAS-addicted cancers, today announced the pricing of its underwritten public offering of 11,500,000 shares of common stock at a public offering price of \$20.00 per share, before underwriting discounts and commissions. All of the shares of common stock are being offered by Revolution Medicines. In addition, Revolution Medicines has granted the underwriters a 30-day option to purchase up to an additional 1,725,000 shares of common stock at the public offering price, less underwriting discounts and commissions. The gross proceeds from the offering, before deducting underwriting discounts and commissions and other offering expenses payable by Revolution Medicines, are expected to be \$230.0 million, excluding any exercise of the underwriters' option to purchase additional shares. The offering is expected to close on July 22, 2022, subject to customary closing conditions.

J.P. Morgan, Cowen and Guggenheim Securities are acting as the joint book-running managers for the proposed offering.
